EDUCATION

Boston University

Ph.D. in Computer Science; Advisor: Sofya Raskhodnikova

Boston, USA

Sep 2023 – Present

Chennai Mathematical Institute

B.Sc. (Honours) in Mathematics and Computer Science; GPA: 9.89/10.00

Chennai, India

Dec 2020 – Jun 2023

PUBLICATIONS

Testing Connectedness and Edge Connectedness

Diptaksho Palit, Ramesh Krishnan S. Pallavoor, Sofya Raskhodnikova, Nithin Varma

SOSA 2027

Query Complexity of Testing Structured Parenthesis Languages

Tim Jackman, Diptaksho Palit, Sofya Raskhodnikova

SODA 2027

Testing k -submodularity

Themistoklis Haris, Diptaksho Palit

RANDOM 2026

Relative-error Unateness Testing

Xi Chen, Diptaksho Palit, Kabir Peshawaria, William Pires, Rocco Servedio, Yiding Zhang

ICALP 2026

Computational Complexity in Property Testing

Renato Ferreira Pinto Jr., Diptaksho Palit, Sofya Raskhodnikova

SODA 2026

RESEARCH INTERNSHIPS

National Institute of Informatics

Advisor: Yuichi Yoshida

Tokyo, Japan

Aug 2026 – Nov 2026

- Worked on property testing of vector-valued functions.

Institut de Recherche en Informatique Fondamentale (IRIF)

Advisors: Claire Mathieu, Frederic Magniez

Paris, France

May 2024 – Jun 2024, May 2023 – Jun 2023

- Studied structural properties of the randomized greedy maximal matching of a graph.
- Studied sublinear time algorithms for approximating the maximum matching of a graph.
- First summer was an exchange program for top-ranking senior students at Chennai Mathematical Institute.

National University of Singapore

Advisor: Diptarka Chakraborty

Singapore

Dec 2022 – Jan 2023

- Studied the hardness of computing medians under various metrics like k -distance and edit distance.
- Constructed reductions to prove the NP-hardness of computing a variant of the LCS problem over permutations.

University of Victoria

Advisor: Teseo Schneider

Victoria, Canada

May 2022 – Dec 2022

- Worked on a rasterization application for [PolyFEM](#), an open source rendering tool maintained by professors from New York University and the University of Victoria.

TEACHING EXPERIENCE

Doctoral Teaching Fellow

Boston University

Boston, USA

January 2024 – Present

- Teaching fellow for the following courses: CS332: Theory of Computation, CS537: Randomness in Computing.

Undergraduate Teaching Assistant

Chennai Mathematical Institute

Chennai, India

Sep 2021 – April 2023

- Teaching assistant for the following courses: Introduction to Programming (Haskell), Advanced Programming, Discrete Mathematics, Design and Analysis of Algorithms, English.

Mathematics Mentor

Bajaj Science Education Centre

Wardha, India

Jan 2022 – Mar 2022

- Conducted weekly Mathematical Olympiad classes for high school students.

SERVICE

External Reviewer: ITCS 2027, RANDOM 2026, STOC 2026, CIAC 2025, STOC 2025, RANDOM 2023.

AWARDS & HONOURS

Dean's Fellowship, Boston University <i>University-wide award for incoming doctoral students with exceptional academic records.</i>	2023
CMI Silver Medal <i>Graduated 2nd in class rank across the undergraduate cohort of 40 students.</i>	2023
SHRIRAM Scholarship, Chennai Mathematical Institute <i>Merit-based full tuition waiver awarded to top rankers in the entrance examination.</i>	2020 - 2023
KVPY Fellowship, Government. of India <i>National research fellowship granted for academic excellence in basic sciences.</i>	2020 - 2023
